The autonomic nervous system

- Superior cervical ganglion
- Middle cervical ganglion
- Inferior cervical ganglion
- White rami communicantes
- Parotid gland
- Greater splanchnic nerve
- Aortic plexus on aorta
- Hypogastric plexus
- Lumbar splanchnic nerves
- Superior mesenteric ganglion
- Celiac ganglion
- Inferior mesenteric ganglion

- Eye
  - Lacrimal gland
- Nasal mucosa
- Submandibular and sublingual glands
- Ciliary ganglion
- Sphenopalatine ganglion
- Submandibular ganglion
- Otic ganglion
- Heart
- Lung
- Liver
- Stomach
- Spleen
- Adrenal gland
- Kidney
- Small intestine
- Large intestine
- Urinary bladder and genitalia

Sympathetic division (thoracolumbar)

Parasympathetic division (craniosacral)
